We have several **After School Care** options for parents' convenience. In addition to offering PreK 3&4 care until 3:10 each school day, students in PreK 3&4 through 8<sup>th</sup> grade will have afternoon care available until 5:30 p.m. each day. All students participating in after school care must have all registration materials completed and on file before attending. The Virginia School Entrance Health Form which includes a physical, must be completed and on file.

For the safety and well-being of our students, any students in grades PreK 3&4 – grade 8, who remain after school for any reason (parents late for pick-up, music lessons, tutoring, etc.), are required to attend the After School Care Program. **Students whose music lessons do not begin immediately following dismissal are required to attend after school care before and, if necessary, after their lessons until picked up.** Parents will be billed in half hour increments at the rate of \$5.00 per hour for reserved care and \$6.50 for unreserved care on a monthly basis.

The following schedule summarizes available times and days for after school care. **Please complete this form and return it to the school on or before August 22, 2011. It is important for our planning purposes to know the number of students to expect.**
