LIFE JACKETS

All campers in Sailing Camp and Water Sports Camp must wear a life jacket when around the water. Campers are asked to bring their own life jacket if they have one. This will ensure your child is comfortable in his or her jacket. Chesapeake Academy will provide life jackets to those campers who do not bring their own jacket. Please make sure your child's name is on his or her jacket before camp starts.

NOT ACCEPTABLE

ACCEPTABLE

Please help us keep our lost and found table clear **by putting your child's name on ALL of his or her items.** Make sure your child has a bag that will fit everything he or she brings for the day. A good plan includes a "wet bag" to keep wet and dry items separate.

Personal toys, e.g. trading cards, Game Boy/PSP's, and cell phones are NOT permitted at camp. These are a distraction and pose a risk of loss and accusation. If your child chooses to bring a CD player/IPOD to Field Trip Camp and Water Sports Camp, Chesapeake Academy is not responsible for any loss or damage that may occur. We encourage children to talk and play games on these trips rather than withdraw into themselves.
